The new Postoffice grocery is now open. Groceries of all kinds sold at Maysville prices for each or given in exchange for anything that will sell in the Maysville market. Give us a call and be convinced that we mean what

Mr. and Mrs. S. N. Robinson, the newly married couple of Fern Leaf, came down last Friday morning to spend the day and night with H. K. Robinson of the Bottom. Late Friday evening Miss Millie Robinson and Miss Maud Downing made an excuse to call on some of the neighbors, but informed the boys that "Sile" had come. Enough said. Every boy to the community was on hand with something that would make a noise. After sereling to their hearts' delight they hung their harps upon the willows with the promise from S. N. that he would set 'em up Saturday morning, and he fulfilled his promise by buying a box of cigars from the new grocery, which the boys enjoyed very much.

Procure It Before Leaving Home. Three years ago, while I was visiting relatives at Higginsville, Mo., I was iddenly taken with colic and severe sins in the stomach. My relatives sent to the Doctor for medicine, and he sent me a bottle of Chamberlain's Colic, Cholers and Diarrhosa Remedy, telling the bearer that if that medicine did not cure me he could not prescribe anything that would. I used it and was immediately relioved.—Henry A. Thofero. For sale by Power & Reynolds.

KENTUCKY WEATHER REPORT.

What We May Expect Between This Time and To-Morrow Evening.

THE LEDGER'S WEATHER SIGNALS. White streamer—FAIR; Blue—RAIN or snow; With Black anove—'twill warmer grow. If Black's seneath—Colder 'twill be; Unless Black's shown—no change we'll see.

The above forecasts are made for secrid of thirty-six hours, ending at 8 o'clock o-morrow evening.

ABRAHAM GOLDBERG, connected with the whisky firm of E. Hoffheimer & Co., Louisville, claims to have been bound gagged and robbed in the company's office in broad daylight. As the firm is in trouble with Uncle Sam, and as the reputed ashes of some valuable papers that are missing were found on the floor, the knowing ones say there is a large sized and had smelling rat close by.

The Emerson Piano.

The Emerson Piano Company of Boston, Mass., and 92 Fifth Avenue, New York, have had a long and successful experience in the manufacture of planos, and have attained an enviable reputation. These planes are of the very finest tone and of the best material and workmanship, and are sold at moderate prices and on reasonable terms. As a general thing a person buys a piano but once in a lifetime and it is, therefore, very important that the instrument should combine as many desirable features of a permanent character as possible. Manufacturers of good reputation and of long standing should be the favored ones. The Emerson Piano Company have made and sold upward of sixty thousand planos; and they warrant every instrument sent from their factory. They will send to any of our readers who may be thinking of purchasing a plano, their illustrated catalogue free of charge; and it will be found to be an interesting publication.
